

ENTER Curated Choice

December 2022 – Christmas edition

‘Curated choice’ is an online commercial group show facilitated by Enter Art Fair. ENTER invites handpicked curators or art personalities to propose a theme under which they will curate a selection of works of any media from the participating ENTER galleries.

Every new edition of ‘Curated Choice’ will bring a new theme, a new curator and new works – and will run continuously in our newsletter and on our social media platforms throughout the year in between the fairs every August.

All the works are carefully selected by the curator and are all available for sale. You can find prices and detailed information about the works below in the link. Don't hold back. Ask questions and connect directly with the gallery for any inquiries.

Curator: Kirsten Eggers, Head Art Advisor of Enter Art Fair

Theme #4: Christmas edition | Presents under 10.000,- €

For the fourth edition of ENTER CURATED CHOICE we would like to do a special Christmas Edition. Rather than focusing on a curated topic under which our galleries can send in their available works, for this time I would like to concentrate on works, that could be wonderful Christmas gifts. Works under 10.000 Euro. This curation is about giving and discovering art works in a playful and joyful way.

Every year we are back at the same question:

What do we want for Christmas or what can we acquire for our beloved for this occasion?

This year Enter Art Fair helps you out with art works from our international ENTER galleries with a selection of works, that are all under 10.000,- Euro.

So don't miss this wonderful opportunity to discover your artwork as present for yourself or someone you would would like to give a special gift to and support this way the artists and our wonderful galleries as well.

All images are courtesy of each gallery and each artist.
