

ENTER Curated Choice

December 2023

'Curated choice' is an online commercial group show facilitated by Enter Art Fair. ENTER invites handpicked curators or art personalities to propose a theme under which they will curate a selection of works of any media from the participating ENTER galleries.

Every new edition of 'Curated Choice' will bring a new theme, a new curator and new works – and will run continuously in our newsletter and on our social media platforms throughout the year in between the fairs every August.

All the works are carefully selected by the curator and are all available for sale. You can find prices and detailed information about the works in this pdf. Don't hold back. Ask questions and connect directly with the gallery for any inquiries.

Curator: Nina Wedell-Wedellsborg

Theme #6: Imperfection

Definition: In addition to a blemish or defect, imperfection can also mean "the general state of not being perfect." The Latin imperfectus is at the root of imperfection, meaning "unfinished, incomplete, or immature."

I'm of the mind that no art is perfect, and it shouldn't be perfect. I think it's beautiful in its imperfection. You can tweak something forever, but you have to let it go and trust it.

Imperfection and perfection go so hand in hand, and our dark and our light are so intertwined, that by trying to push the darkness or the so-called negative aspects of our life to the side... we are preventing ourselves from the fullness of life.

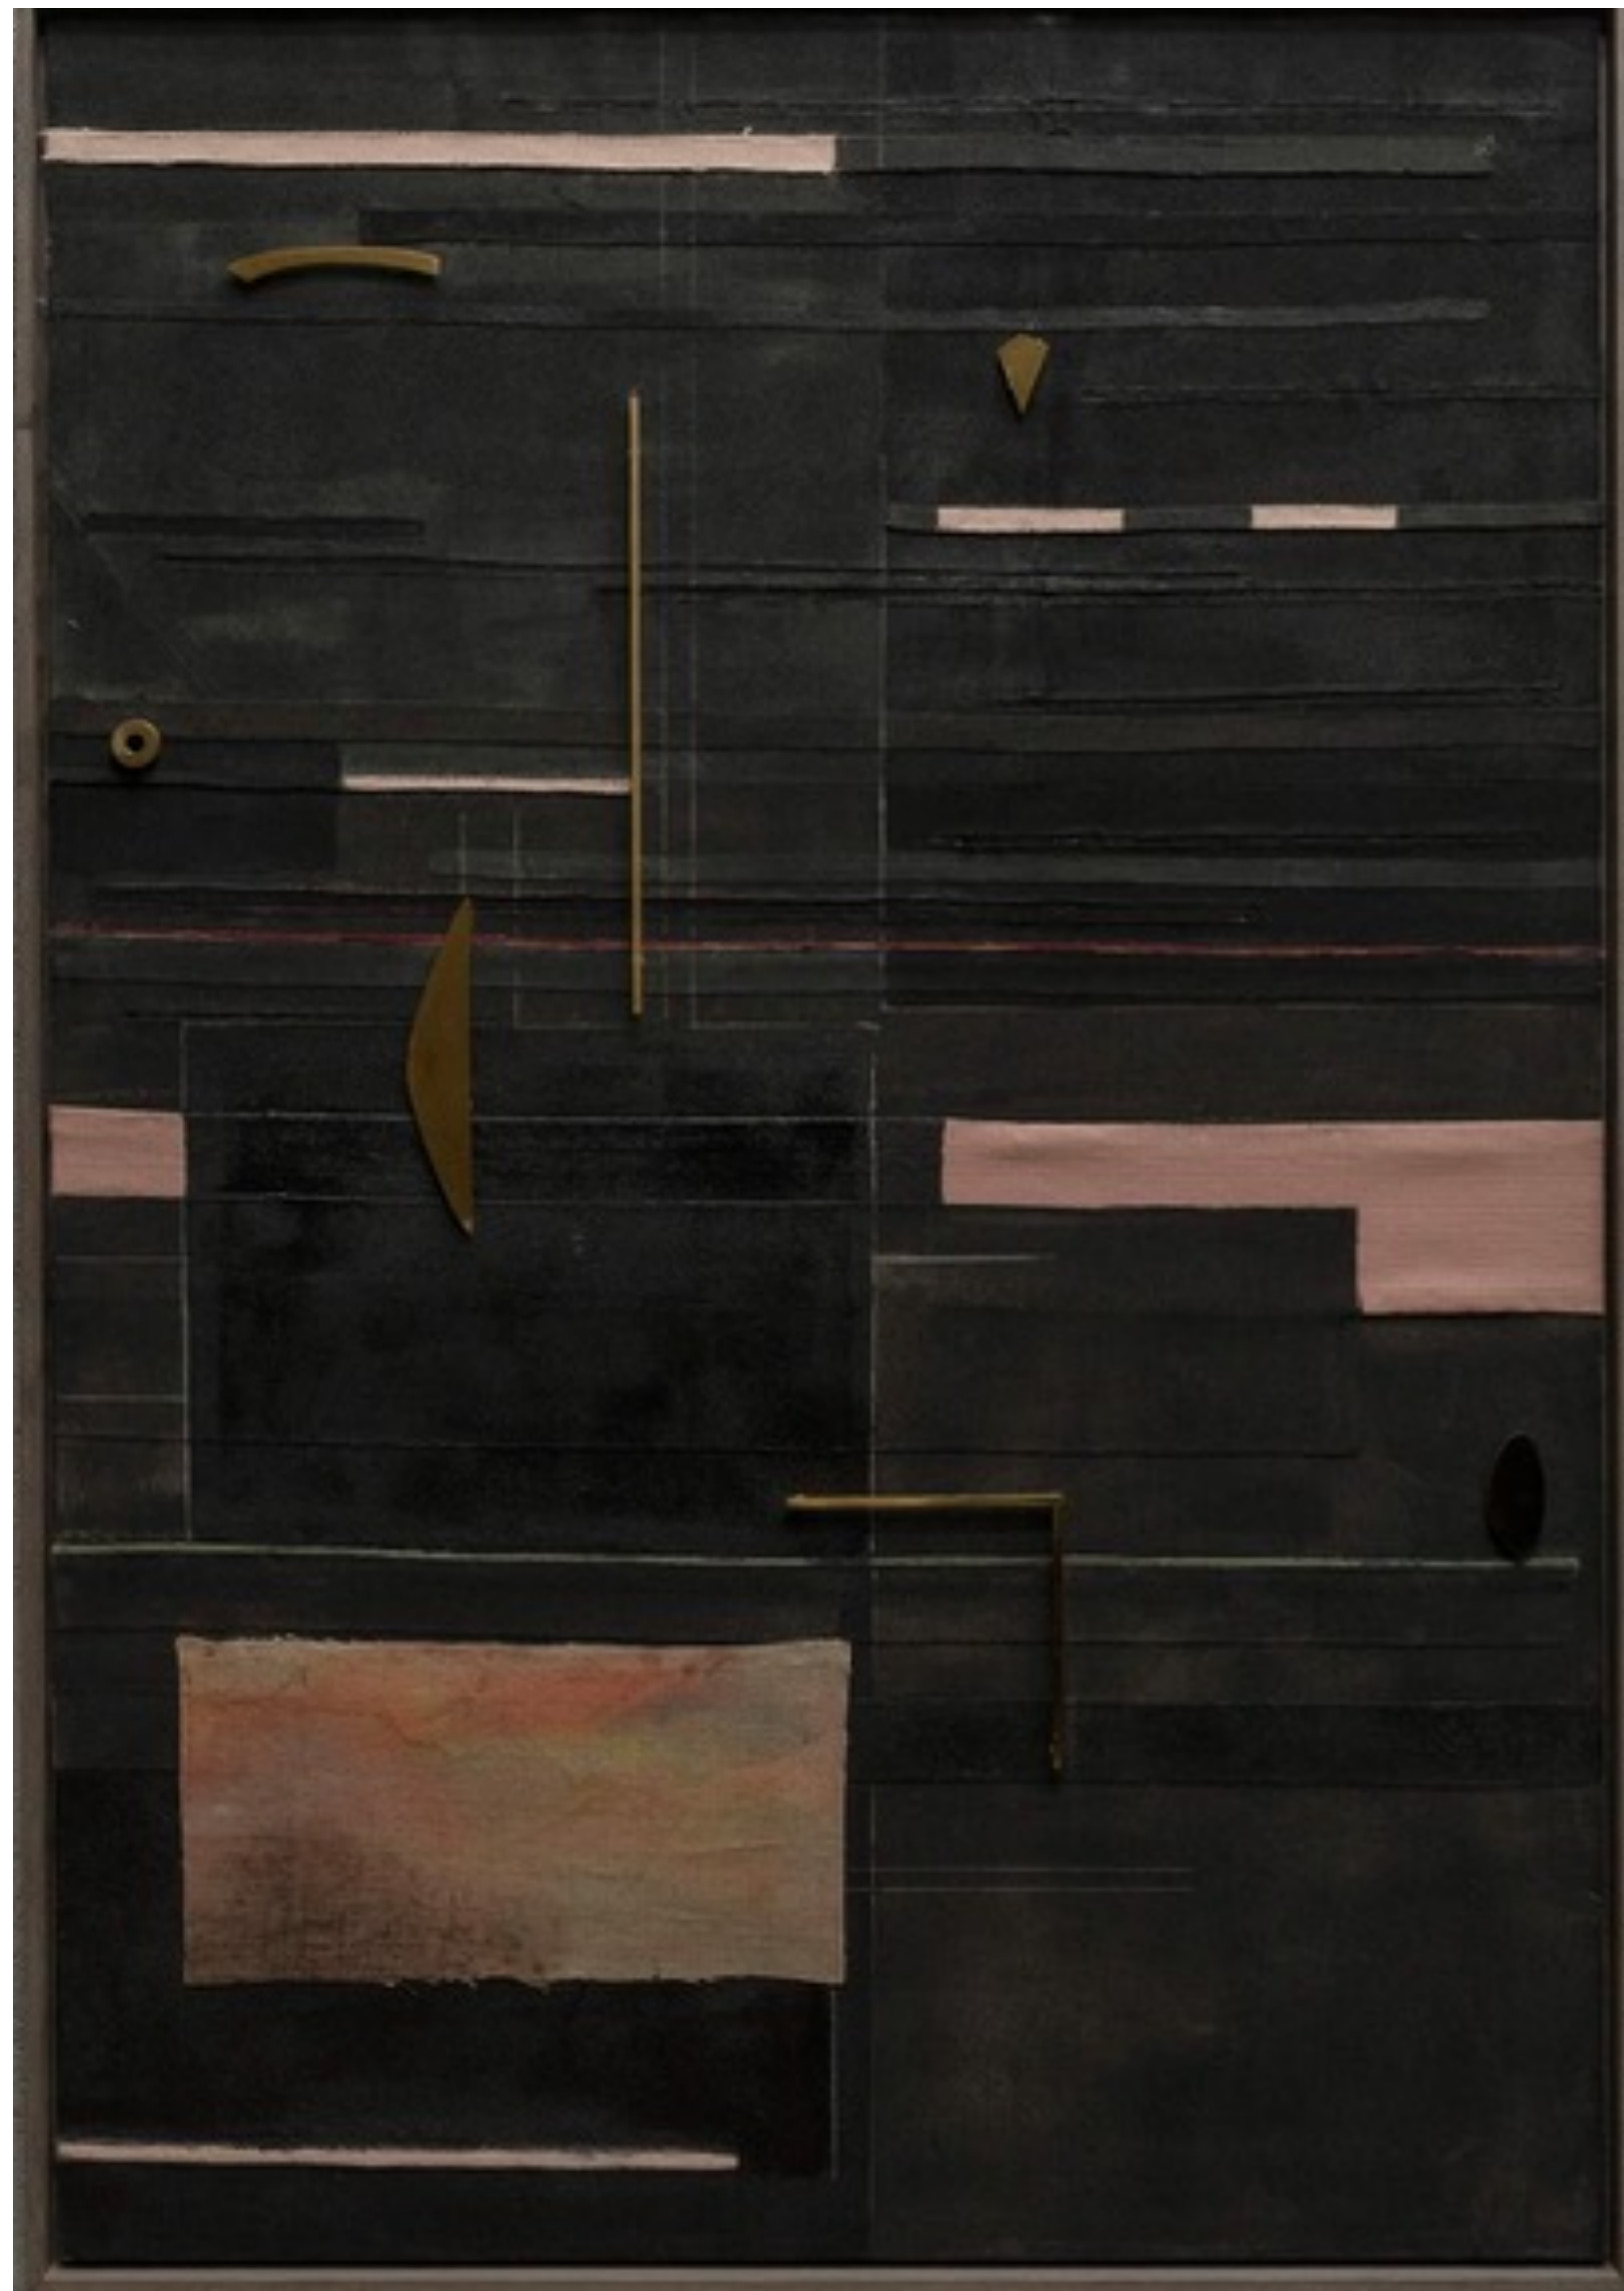

About the curator: Nina Wedell-Wedellsborg

Nina Wedell-Wedellsborg, has built a diverse career with a strong focus on art, fashion, and business. Early experiences at Sotheby's in London as an intern in 1984 and later as the Director of the "Hus for Nutidskunst" gallery (in 1987-88) showcased her early commitment to the art world. Since 2003, she has served as the director of Sotheby's in Denmark, leading in the world of auctions.

In her role as Chairwoman of Niels Wessel Bagges Art Foundation, Nina has played a pivotal role in promoting and preserving art and culture. As the founder of the "Wessel & Vett Fashion Prize," Scandinavia's largest Fashion Award, since 2013, she actively supports Nordic design and creativity. Her dynamic profile seamlessly combines business expertise with a passion for the arts, making her a beacon in both the artistic and business realms.
